

Clinical Coding Officer, Band 4

West Hertfordshire Hospitals would love to hear from you!

NHS Professionals run the temporary work placements at West Hertfordshire Hospitals and we are looking for a **Clinical Coding Officer** to start ASAP!

Location: Watford General Hospital (may be required to travel to other Trust sites as required)

Department: Clinical Coding

Band: 4

Hours: 37.5 hours per week

What will your duties and responsibilities be?

- Responsible for ensuring that accurate, timely and consistent clinical coding is carried out
- Discuss queries and complex coding information with the Clinical Coding Auditor, the Senior Coders, and the clinical staff in order to achieve the highest quality documentation to facilitate accurate and timely coding
- Liaise with other departments to promote confidence and awareness in clinically coded data
- Attend and participate in team meetings to ensure knowledge and learning points are communicated across the team
- To abstract and analyse complex conditions and treatments from a variety of data sources including the interpretation of histology and other test results
- To be aware of agreed local coding policies and rules and to be responsible for implementing them accordingly

We are the largest recruit of bank staff to the NHS! In return for your hard work we are offering the following perks:

- 1st choice of over 4,200 placements – your dedicated consultant can book your placements today.
- Work this week, get paid next - Get paid the following Friday when you release your timesheets by 23:59 on Wednesday.
- Get paid to take holiday! - Holiday is accrued during every shift you work.
- Statutory maternity/paternity (subject to qualifying criteria)
- Access to our very own pension scheme called 'NHSP Stakeholder pension' for eligible members
- Free training and development opportunities

...and we are part of the NHS family!

We value your skills and experience and can provide you with a fantastic opportunity to work within the NHS and deliver a great experience for patients.
